

SHRIMPS TRUST MORECAMBE FC

STRONGER TOGETHER

Cheque Presentation

September 2017

Following a request from Jim Bentley and Chris Squirrell, The Shrimps Trust has donated £2300 to the club for the purchase of 10 GPS tracking devices. These are used to monitor individual player performance and provide more detailed analysis to the squad. This has been made possible by Trust membership sign-ups to date, with a special thanks to Armando Diaz from Florida who contacted the trust with a private donation.

The cheque was formerly presented to Jim Bentley by Ron Freear and Dawn Winder ahead of the league fixture vs Accrington Stanley. Ron was chosen by trustees in recognition of his efforts within the memberships team, whilst Dawn was selected in a random draw. Thank you for representing the Trust!

Come On You Shrimps

Members Draw (by Jimmy Goulding)

Recently we held the first Shrimps Trust monthly members draw. This largely follows on from the format of the draw that was previously operated by Fans Club. However, there's no more folding hundreds of individual raffle tickets to be drawn out of a lunchbox (sorry Paul); we now have a random number generating programme linked to our membership database. This runs from a laptop, just press the button and off it goes doing its magic, simples (as the Meerkat says).

Like anything technical we still had an initial hitch, caused by gaps in our membership and a large number of ranges that would need to be entered into the generator manually. Fortunately I had no need to worry on that score thanks to Brian Campbell and Stuart Rae. For anyone who knows me, I was dreading my number being drawn out for the 7th prize!

This year we have eight prizes up for grabs every month—which we

hope to expand as we progress—for draws running from September until May. I would like to take this opportunity to congratulate our September winners and thank our monthly prize draw partners for their support. Please see below for a current list of prizes, and overleaf for a Septembers winners.

Prizes:

1st hospitality for two at a 2017/18 Morecambe league game

All draws will take place after the game in JB'S bar.

STRONGER TOGETHER

Legends Wall

As part of the Trust ongoing efforts to improve the home end we would remind all supporters of our plans for the Legends Wall. We are now ready for your nominations of possible candidates.

We are looking to be able to name legends from all decades in the club history. A club legend can be anyone who has had a major impact on Morecambe FC, a player, manager, club official, supporter or unsung hero. To put forward your nominations simply write or email the Trust with the persons name and your reason why you think they are a club legend.

Freshers Day LMC

Trustee members recently attend the Freshers Day at the Lancaster & Morecambe College. This is part of our ongoing campaign to promote to Trust in the local community and Morecambe FC in general. Interest from students in the Trust and Morecambe FC was high.

The Trust would like to thank Brain Campbell for both his assistance and technical help on the day, and Rob Wilkinson who approached the Trust with the initial idea.

REMEMBER: STRONGER TOGETHER

The following people are Trustees of Shrimps Trust

Simon Bentley - Steve Doran - Jimmy Goulding - Andy Langdale
