## DrRetro (Canadian Shrimp) Visits the Globe

The Trust is looking forward to welcoming our member from Ontario (Canada), Jeremy Corke - who is visiting the United Kingdom in April and will be attending the Shrimps home fixture versus Carlisle United on 14th April. Jeremy, aka Twitters @ShrimpsOfCanada and DrRetro on ShrimpsVoices, is travelling over 3,000 miles to attend his first ever Morecambe game.

Jimmy Goulding (Membership Trustee) recently contacted all of our international members to find out a little bit about how they became aware of the Trust and why they started supporting Morecambe FC.

Like many overseas members, Jeremy first became aware of the Morecambe through football computer games.

“Years ago I bought the latest

edition of FIFA and created myself a player with my favourite team, Toronto FC. My time there didn't go well and soon I was being loaned out and finally I found myself playing for Morecambe FC, where I had a stellar career. “

In recent years Jeremy has taken an interest of the Trust being formed and issues around the clubs ownership.

“I started following the club on social media. This year I signed up for iFollow, and even though they still haven't sorted out the commentary/video sync, it's been a blast.”

## Supporters' Player of the Season Voting

Voting for the MFC Supporters' 2017/18 Player of the Season will take place on Saturday 14th April and is open to all supporters. Please ensure that you cast your vote using one of the ballots that will be made available in all home areas for the home fixture versus Carlisle United.

The winner will be announced at the clubs annual player of the season awards night (TBC).

If you are a Trust member that is unable to attend this fixture but would like to vote, please email your selection to [shrimpstrust@gmail.com](mailto:shrimpstrust@gmail.com) and include your membership number.
