No Stopping Barry

August 2018

The Trust would like to congratulate Barry Roche on being awarded a testimonial year by Morecambe FC - a fantastic achievement and much deserved recognition for the service that the Irish stopper has given to the club. During his time on the Lancashire coast, Barry has clocked up over 400 games for the Shrimps - and even scored a memorable goal versus Portsmouth.

A series of events will take place throughout the season to celebrate Barry's career, the first of which is a match versus a celebrity XI on Sunday 16th September at The Globe Arena. The legends side will feature former fans favourites Michael Twiss, Danny Carlton, and Jim Bentley amongst others.

AGM - A Great Meeting

The Trust held its AGM on 19th July at The Globe Arena. The evening was a huge success, with a healthy attendance from the Trust membership. Chairman Stuart Rae provided members with a review of the year, whilst Treasurer Jack Steer gave a financial summary.

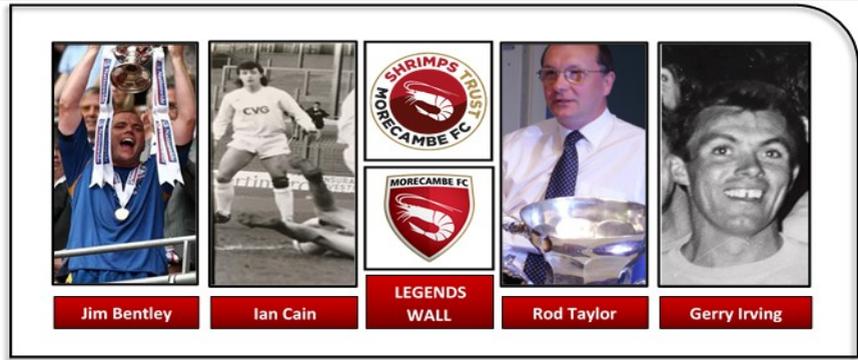

In the presence of the Election Committee (Jean Freear and John Goodwin), candidates Joanna Wilkinson, Paul Hodgson and Ron Freear were reaffirmed by members. All will now join the Trustee Board for a two year period. There was also the approval of motions that were

brought forward, and a membership vote on the introduction of designated smoking areas at the ground - so long as there was no net cost to the Trust.

The AGM was followed by a Q&A panel consisting of Barry Roche, Steve Old and James Sinclair - ably compered by Mark Swindlehurst. Thank you to all those who attended - we hope you enjoyed the evening and found it of interest.

Legends Wall Inductees

During the course of the 2017/18 season, supporters selected 30 nominees to be inducted to 'Legends Wall'. Nominees were placed evenly into categories and at the Trust AGM, Trust members voted for the next three inductees to join the late Gerry Irving.
