

## **Jack Steer – Candidate Statement**

I am a Chartered Accountant working in practice at a local accountancy firm. I have been a season ticket holder at Morecambe for 22 years and I am passionate about the Football Club. I have been a Trustee for the last six years acting as Treasurer for the Trust but also taking the lead on a large amount of the Trust's activities.

I am able to bring current accounting reporting expertise to the table, as well as experience in working with the Financial Conduct Authority and other not for profit regulated entities. If re-elected, I hope to continue the work I have done to date in providing good financial governance for the Board, and preparing details financial statements for members, as well as ensuring the Trust is fully compliant with all regulatory bodies.

My role in the Trust has extended beyond the finances to cover social media, away travel and processing memberships. As one of the most long-standing Trustees of the Trust, I have been an integral part of its growth over the last 6 years and I wish to continue in that capacity for another term.
