

James Main – Candidate Statement

My name is James Main, I am 24 years old and I wish to be elected to the Shrimps Trust Board of Trustees.

I have been a Shrimps fan near enough all my life and have followed the club through thick and thin. From the Christie Park days watching the iconic centre-half duo of Jim Bentley and Dave Artell, to Wembley in 2007 and then the move to the Mazuma Mobile Stadium and promotion to League 1 and relegation back to League 2.

I am incredibly passionate about the club and feel that this is a vital time to be involved in the Shrimps Trust. With the club's future uncertain, it is imperative that the fans' voices are heard and we maintain the good communication that we have between the fans, the Shrimps Trust and the club.

I have built good relations with various members of the club's board and other people involved in the running of the club and will look to use that to my advantage if elected to the Shrimps Trust Board of Trustees.

I will also draw on my experiences sitting on committees such as the Westmorland Cricket League, Westgate Cricket Club and Hebburn Town Football Club in the North East and look to make a positive impact on the Shrimps Trust.

And most importantly, I will look to represent you the fans on all issues regarding the club and I very much hope you will vote for me.

Thank you,

James Main
