

Jimmy Goulding – Candidate Statement

With the uncertainty surrounding the sale of the club I believe there has never been a more important time to have The Shrimps Trust to represent its members and fans alike.

I have been a Shrimps supporter for as long as I can remember, and like many others have seen the fortunes of the club rise and fall, thankfully more rises than falls so with a stronger Trust and a continued partnership with the BOD it will bring many more rises.

I was one of the first batch of Shrimps Trust trustees when it was formed in 2016/17. And the experience I gained in the first two years of helping to run the Trust I can bring back to the table.

While a trustee I helped with memberships, helped with prize and discount partners, with the legends wall project, also promoting the Trust and its events and helping to organise coach travel.

Also helping to manage the Trust point in JB's bar, and getting involved with the community projects the Trust are or were involved in.

Even when I wasn't a trustee I helped as much as I could behind the scenes, including continuing to run the monthly draw, and helping to spread and promote the good work the Trust has done in the community and with the club.

I wish to continue to build and strengthen the trust as previous and present trustees have done, and hope to be elected back as a trustee.

Thank you
James Goulding
